Elective if not doing requirement #4

Enrolling in CHEM 497R and 498R gives students an opportunity to be mentored in a faculty’s research lab and receive class credit. Enrollment in 497R can be repeated for several successive semesters, usually followed by 498R. Permission is required from the faculty member. Contact the department office for specific details and to receive a permission-to-add code.

Note: When Taught is subject to change.

Guide only—please consult MyMAP for full requirements.
